For Immediate Release:

Grant County Health Department Offering Free Vaccine to Adults

Grant County Health Department is offering the following vaccines to adults in need of them free of charge for a limited time.

Hepatitis A
Hepatitis B
Hepatitis A –B (Twinrix ®)
HPV males and females though age 26
MMR
Td
Tdap
Varicella

Adults with insurance coverage for the above vaccines should be vaccinated by their primary care provider whenever feasible. However, no eligible adults will be denied vaccine while supplies last. Vaccine will be available at the Grant County Health Department located at 111 South Jefferson Street, Floor 2, Lancaster, WI, Monday through Friday (excluding holidays) from 8:00 a.m. to 4:00 p.m. and at regularly scheduled WIC and immunization clinics throughout the county.

Grant County Health Department also offers many free vaccines to children as well. For more information including immunization eligibility and recommendations please contact the Grant County Health Department at (608) 723-6416. Clinic schedules are available at www.co.grant.wi.gov.
